Sir:

In response to the outstanding Office Action of May 21, 2002, kindly amend the present application as follows:

IN THE CLAIMS:

Amend claims 1, 2, 12 and 15 as follows:

1. (Twice Amended) A cleat for an article of footwear consisting entirely of plastic, the cleat comprising:

an insert and a plastic traction member, the insert and traction member constituting separate and distinct elements formed at distinct times in the manufacture process;

the insert is from a synthetic plastic material, wherein the insert has a stem portion with engagement means for releasable engagement with a complementary formation defined on an undersole of the article of footwear; and
